

These are our landscapes!

The village where the resort is located is called Loro Ciuffenna and has been nominated one of the most beautiful villages of our country, ITALIA. Since 1996 the family ownership has been giving our Resort a warm and welcoming atmosphere, where our guests can feel at home. Its conservative renovation and the strategic position overlooking the waterfall of the river Ciuffenna make La Ferriera comfortable and magic. We are situated between Arezzo, Florence and Siena, in the heart of tuscan art and tradition.

Reception's desk is at disposal to book ...  
museums, excursions, trekking trails...  
everything!!

I remind you also that our fabulous  
restaurant is open every day for breakfast  
and dinner!

And then we have a WINE SHOP open every day  
for wine tasting; we can also organize shipping  
to everywhere!

# LA FERRIERA

---

## RESIDENCE - RESTAURANT

The history of La Ferriera started in the middle of the 18th Century. The stone arch at the entrance of the Residence dates back to 1875. The original use of La Ferriera, as the name suggests, was an iron factory, where agricultural equipment such as spades and ploughs was made. The original factory stood where apartment 19 stands today, and the original factory chimneys can be seen from the roof. The factory was located here to use the power of Ciuffenna River.

In 1996, after several years of being abandoned, the property was acquired by the Rampi family the actual owner and building contractors. In one year they were able to restore the property and convert it into the actual Resort by paying particular attention to maintain original characteristics of the building. Today, La Ferriera Resort offers a swimming pool, tennis court, laundry room (washing machine, drying machine, iron), reception, private parking and a restaurant.

Our Resort is in an excellent location, only 5 minutes walk to the centre of Loro Ciuffenna where you can find shops, banks, post office and a bus station. The nearest railway train station "Montevarchi-Terranuova" is 15 minutes by car.
